Dear Sir/Madam,

Reference is made to our letter dated **November 18th 2009** in which we advised you that your plants in **ZEEWOLDE, NUNSPEET and BIDDINGHUIZEN all in The Netherlands** were "Quality System Approved with Corrective Actions".

We can now advise you that following a further evaluation your company is now **Quality System Approved with limitations** to supply the attached list of 9COMs (see Attachment 1).

This approval should not be regarded as a commitment from Aramco Overseas Company (AOC) to purchase from you. However, your company will have the opportunity along with other approved suppliers to respond to requests for quotation in accordance with AOC's established policies and procedures.

We would like to take this opportunity to thank you for your interest in doing business with AOC and Saudi Aramco. Please quote the above referenced Vendor ID and Plant ID in all future correspondence.

Yours faithfully,

Steve Harding
